ASTRA CREATOR PROGRAM - PLAIN ENGLISH SUMMARY

Astra - astralogico.com - Operated by Astra Horoscopy • 5 November 2026

This is a summary to help you understand. The full Creator Terms at astralogico.com/creators/terms are the legal agreement.

What you get

- Your page: Your own page: astralogico.com/c/yourname + daily 9:16 story cards and captions we make for you.
- Dashboard: Your own dashboard: clicks, sales, pending / approved / paid, and payout via Stripe.
- You are independent: You are an independent creator, not an employee of Astra. You pay your own tax.

What you earn - 40% then 20% ongoing

- 40% initial: First 6 months after approval: 40% of what Astra actually receives (after VAT, refunds, Stripe fees).
- 20% ongoing: After that: 20% ongoing on renewals from customers you brought, for as long as they stay subscribed.
- Examples: At current prices (see astralogico.com/pricing): Reading £9.99 = £4.00 at 40% / £2.00 at 20%. Annual £59.88 = £23.95 / £11.98. Bundle Annual + 1 Reading £65 = £26.00 / £13.00. Bundle Annual + 2 Readings £69 = £27.60 / £13.80.
- Refunds: If a customer refunds or charges back, commission is reversed.
- Tracking: 30-day cookie: if someone clicks your link and buys within 30 days, it counts for you. 24-hour IP check stops duplicate clicks.

When you get paid

- Monthly via Stripe. Commission is kept separately in each currency - GBP, EUR and USD are NOT combined. Payout in GBP when GBP Commission totals £25, payout in EUR when EUR Commission totals €25, payout in USD when USD Commission totals $25. If you have £20 GBP and €30 EUR, only the €30 is paid - the £20 rolls forward until it hits £25.
- Timing: Paid within 30 days after month-end for each currency that has hit its £25 / €25 / $25 threshold. Readings held 14 days, Premium 30 days for refunds.

What you must do

- #ad: Say #ad at the START of every post, story, video or LIVE where you share your link. Not buried in hashtags.
- Be honest: Be honest. Astrology is for entertainment and reflection. Do not say Astra predicts the future for certain, cures illness, or gives financial advice.
- No fake claims: Do not make fake testimonials, fake income screenshots, or promise guaranteed earnings.
- No spam: Do not spam, use bots, buy followers, or buy Astra ads pretending to be Astra.

What ends the 20% ongoing?

- Good ending: If you quit, or Astra ends for convenience with 30 days notice: you still get 20% trailing for 12 months on customers you already brought.

• Bad ending: If you are terminated for Cause - fraud, self-referrals, no #ad after warning, lying about Astra, 90 days with no Astra post, or serious brand damage: all unpaid and future commission stops immediately, including the 20% ongoing.

• When you leave: When you leave, remove Astra branding and Creator Kit within 7 days. Your page /c/name is turned off.
